

Community Biz List :)

[Earth One](#) — Invite-only global guild of visionary leaders who use curated multi-day expeditions to exercise "soft power diplomacy at civilizational frontiers" across AI, climate, and social systems.

[Kindred](#) — Home swapping and exchange community

[Virtuosi League](#) — Peer community and leadership development program for CMOs and senior marketing executives, featuring the LEAP curriculum co-designed with the Aspen Institute and closed-door forums and regional roundtables.

[Andrew Yeung / Fibe](#) — NYC tech events company and 50,000+ member community connecting founders, investors, and operators through mixers, dinners, mansion retreats, and an annual resort takeover, built by former Googler Andrew Yeung.

[Long Angle](#) — Free private community of 7,500+ HNW individuals (avg ~\$15M net worth) sharing peer wealth insights and accessing institutional-grade alternative investments — no membership fees, 45+ countries.

[Bathhouse NY](#) — Upscale urban bathhouse in NYC's Flatiron and Williamsburg with thermal pools, saunas, and contrast therapy — a flagship of the growing "social wellness" third-space movement.

[Hampton](#) — Community of founders organized in 8-person core groups, \$3M+ ARR minimum.

[Jets and Capital](#) — Private aviation and capital markets events business producing high-end networking experiences for finance and deal-flow audiences; limited public web presence.

[Seabrook](#) — Purpose-built New Urbanist beach town on Washington's Pacific Coast, founded from scratch in 2004 on former logging land — designed for radical walkability, community density, and ocean access, inspired by Seaside, Florida.

[Creator Empires](#) — Paid mastermind and community for online entrepreneurs and creators, built around accountability, strategy, and peer mentorship to grow digital businesses.

[First Descents](#) — Free outdoor adventure programs (rock climbing, kayaking, surfing) for young adults aged 18–39 living with cancer or other serious illness — building community and identity through outdoor challenge.

[Michael Hebb](#) — Portland-born pioneer of the underground restaurant movement who became a global multidisciplinary experience designer, collaborating with cultural icons including Gore Vidal, Spike Lee, and Gloria Steinem on dinner-as-ceremony across five continents.

[Private Luxury Events](#) — Boutique event production company specializing in ultra-high-net-worth private gatherings, luxury experiences, and bespoke social events.

[Web Summit](#) — One of the world's largest technology conferences, held annually in Lisbon, drawing 70,000+ attendees from 160+ countries including founders, investors, and press.

[Savannah Bananas](#) — Trick-shot exhibition baseball team created by Jesse Cole that sells out stadiums globally with a performance-first reimaging of baseball as pure entertainment spectacle.

[HATCH](#) — Invite-only 4-day annual summit for ~150 interdisciplinary innovators (Oscar winners, NASA scientists, CEOs,

hackers) designed to cross-pollinate ideas and activate creativity for global impact, running since 2004.

[**Magic Castle**](#) — Members-only private club in Hollywood for magicians and magic enthusiasts, featuring nightly live close-up and stage performances since 1963 — one of LA's most storied hidden gems.

[**Ice Hotel**](#) — The world's original hotel rebuilt every winter in Jukkasjärvi, Sweden, constructed entirely from ice and snow with art suites designed by international artists.

[**Meow Wolf**](#) — Immersive art experience company creating large-scale interactive narrative installations in Santa Fe, Denver, and Las Vegas where guests explore nonlinear story environments entirely built from art.

[**Underground Supper Club**](#) — Secret dining experiences held in unconventional or hidden locations with curated menus — using exclusivity and surprise as core design elements.

[**Murder Mystery Co**](#) — National interactive dinner theater company running murder mystery experiences for private events and public venue shows across the US.

[**Texas Renaissance Festival**](#) — One of North America's largest Renaissance faires, running 9 themed weekends in Todd Mission, TX with jousting, artisans, costumed characters, and 200,000+ annual visitors.

[**Lectures on Tap**](#) — TED-style educational talks hosted in bars, making expert knowledge casual and accessible by pairing ideas with drinks.

[**Reading Rhythms**](#) — "Not a book club" — structured silent reading parties with curated live music and facilitated cross-book

conversations, founded in NYC 2023 and now in 250+ cities across 30+ countries.

[Daybreaker](#) — Fully sober early-morning raves combining dance, yoga, and community before the workday begins, operating in cities worldwide as a global movement around conscious celebration.

[Joust](#) — Upscale game nights hosted in boutique hotel spaces, elevating competitive play with premium hospitality and intentional social design.

[Dolly Parton's Stampede](#) — High-energy dinner show in Pigeon Forge, TN and Branson, MO featuring horse stunts, trick riders, and a multi-course meal — reportedly doing tens of millions in annual revenue.

[Pirate's Dinner Adventure](#) — Immersive pirate-themed dinner show with a full-scale ship built inside the venue, in Orange County, CA and Orlando, FL — next door to Medieval Times.

[K1Speed](#) — Indoor electric go-kart racing chain with professional tracks, corporate event packages, racing leagues, and field trip options across 70+ US locations.

[Big Fish, Little Fish](#) — UK-originated daytime rave concept for parents and young children — proper DJ sound, soft play zones, and festival production at family-friendly hours.

[Big Bounce America](#) — Touring inflatable event featuring multi-acre bounce structures and obstacle courses for families, with potential for corporate activation days while in market.

[Bubble Run / The Color Run](#) — Traveling 5k fun runs drenched in foam bubbles or Holi-inspired color powder, emphasizing festival atmosphere over athletic competition.

[Renaissance Faire](#) — Traveling medieval experience concept with themed weekends, jousting, artisans, and historical activities — also offers school-day field trip options.

[Baby Bathwater Institute](#) — Vetted, invite-only community for scaling founders that mixes multi-day luxury retreats with honest peer business content — no pitching, no paid gurus, built on lifelong friendships since 2014.

[Puy du Fou](#) — Legendary French historical theme park in Vendée with zero traditional rides — entirely spectacular live shows with thousands of costumed performers; repeatedly voted the world's best theme park.

[Soho House](#) — Global members club for creative-industry professionals with 40+ houses worldwide, blending hotel, restaurant, workspace, and social community under one members-only roof.

[SXSW](#) — Annual Austin convergence of music, film, and tech drawing 300,000+ attendees each March for panels, showcases, premieres, and the world's most concentrated startup and creative networking.

[Tiger 21](#) — Peer learning network for investors with \$10M+ in investable assets, organized in local 12-person groups with monthly portfolio defense meetings; \$30K/year dues.

[Vistage](#) — Global peer advisory organization connecting 45,000+ CEOs and executives in small confidential groups for accountability, leadership development, and expert speakers.

[EO \(Entrepreneurs' Organization\)](#) — Global peer-to-peer network for entrepreneurs doing \$1M+ in revenue, organized in local forums of ~10 members with experiential events and global summits.

Evanta / Gartner C-level Communities — Peer-led executive network exclusively for C-suite leaders (CIOs, CISOs, CHROs, CFOs) across 98 regional communities globally, structured as invite-only summits and year-round town halls.

Black Card (Amex Centurion) — The invite-only American Express Centurion Card, requiring ~\$500K+ in annual Amex spend to receive an invitation — \$10K initiation fee, \$5K annual fee, and access to a private club floor in One Vanderbilt, NYC.

Forbes CEO Council — Application-based thought leadership platform and peer community that publishes member content and connects CEOs across industries through a Forbes-branded network.

Fortress Members — Invite-only private community for HNW investors and entrepreneurs organized in core groups of 6–10 members, with curated deal flow, bi-weekly expert sessions, and dinners across Miami, NYC, and LA.

R360 — Ultra-exclusive UHNW peer community for individuals with \$100M+ net worth focused on family legacy and impact beyond money — \$180K for 3 years, capped at 1,000 members globally.

Céntricus International Society — Appears to reference the London-based global investment firm Centricus (\$42B AUM), or possibly an ultra-private associated society; no separate public presence found.

Quintessentially — Established global luxury lifestyle concierge service for HNW individuals, offering 24/7 access to exclusive events, reservations, and bespoke experiences in 60+ countries since 2000.

Sleep No More / Punchdrunk — Landmark immersive theater in NYC staged across an entire hotel where masked audience

members wander freely through a simultaneous retelling of Macbeth — running since 2011.

[Otherworld](#) — Large-scale immersive art experience in Columbus, OH and Philadelphia featuring interactive digital and physical installations across multi-room explorable environments.

[Wink World](#) — Las Vegas immersive art installation by Blue Man Group co-founder featuring six infinity mirror rooms exploring perception, light, and consciousness.

[Formula E / Drone Racing League](#) — Formula E is the all-electric single-seater racing championship; the Drone Racing League is pro-level FPV racing broadcast on ESPN — both pioneering next-gen motorsport categories.

[Formula 1](#) — The pinnacle of international motorsport with 20+ Grands Prix per season across five continents and a rapidly growing luxury events, hospitality, and membership ecosystem.

[Secret Cinema](#) — UK-originated immersive entertainment company that builds elaborate theatrical worlds around iconic film screenings, now producing in LA, NYC, and globally.

[C2 Montréal](#) — Annual creativity and commerce conference in Montréal that fuses business strategy with immersive experiential design, art, and unconventional workshop formats.

[Evermore Park](#) — Utah-based immersive fantasy storytelling park where guests explore a living alternate world with actors, seasonal quests, and ever-evolving narrative environments.

[Diner en Blanc](#) — Global flash mob dinner where thousands dress entirely in white and bring their own table, food, and chairs to a surprise outdoor location revealed the day-of, held in 80+ cities worldwide.

[**The Escape Game / 60Out / Palace Games**](#) — High-production escape room companies offering cinematic puzzle-driven adventures in elaborately themed rooms across major US cities.

[**Box'd Experience / Club Drosselmeyer**](#) — Club Drosselmeyer is an ultra-exclusive immersive dinner theater staged inside a private home; Box'd delivers luxury curated experiential gift boxes.

[**Timeleft**](#) — App that weekly matches 6 personality-compatible strangers for dinner at a mystery restaurant, operating in 250+ cities across 52 countries with 3M+ users.

[**Founder Dinners**](#) — Intimate curated private dinners connecting startup founders and investors in environments optimized for depth over breadth — relationship capital over pitching.

[**Two Bit Circus**](#) — LA-based micro-amusement park blending arcade games, VR, social gaming pods, and circus-themed adult entertainment in a carnival-meets-tech experience.

[**Sleepy Hollow / 13th Floor Group**](#) — One of the nation's largest haunted attraction networks, operating immersive horror experiences in major markets — the premium end of seasonal Halloween entertainment.

[**MONA \(Museum of Old and New Art\)**](#) — Privately owned iconoclastic art museum in Tasmania funded by gambler-turned-collector David Walsh — internationally known for its provocative, boundary-pushing collection.

[**Camp Grounded / Offline Projects**](#) — Adults-only summer camp focused on digital detox, playful unplugged activities, and genuine in-person connection away from phones and screens.

[**Wanderlust Festival**](#) — Multi-city yoga, mindfulness, and wellness festival series combining movement, meditation, and music in scenic outdoor settings globally.

[**Envision Festival**](#) — Annual multi-day transformational arts, music, and culture festival in Costa Rica focused on sustainability, conscious community, and self-expression.

[**Franklin Social**](#) — Invite-only private members community and social club in downtown Franklin, TN for artists, entrepreneurs, and innovators committed to impacting culture in Middle Tennessee — capped at 400 members.

[**Soho House Nashville**](#) — The Nashville outpost of the global creative-industry members club, offering hotel stays, restaurants, rooftop, and member programming in East Nashville.

[**WeWork**](#) — Global flexible coworking company offering shared workspace, private offices, and community events across cities worldwide — pioneer of the modern coworking category.

[**The Vanity Group / Karleen Roy**](#) — Luxury multicultural event production company specializing in high-profile social events, brand experiences, and entertainment activations.

[**Luxe Fete**](#) — Miami-based luxury event design and production company specializing in high-end social and brand events.

[**Imagination / Patrick Reid**](#) — Global experiential marketing, live events, and brand experience agency headquartered in London — one of the largest in the category, with offices worldwide.

[**Creative Edge Parties**](#) — Food-as-design experiential company creating extraordinary edible art and interactive dining installations where the meal is the art.

[**Travis Chambers**](#) — Viral content strategist and founder of Chamber Media, known for producing high-ROI social video campaigns for major brands and building an audience around startup transparency.

[**Black Opal Life / David Oliva**](#) — Luxury lifestyle and experiences community curated by David Oliva for affluent individuals seeking elevated access and meaningful connection.

[**Angelo Robles / Family Office Association**](#) — Founder of the Family Office Association and prominent voice on ultra-high-net-worth family office strategy, investment, and governance.

[**Jon Levy / The Influencers Dinner**](#) — Behavioral scientist and NYT bestselling author who founded a secret curated dinner community connecting Nobel laureates, Olympians, celebrities, and executives — 400+ dinners over 15 years, now thousands of members.

[**f1viewing.com**](#) — Platform aggregating Formula 1 watch party events and viewing experiences, helping fans find communal race-day gatherings in their city.

[**Bits of Wonder**](#) — Substack newsletter by Oshan Jarow exploring how to build better social spaces, community infrastructure, and the architecture of human connection.

[**Eventique**](#) — Full-service event production agency in NYC specializing in premium corporate and social events.

[**Beyond Connections**](#) — Community-building brand focused on deeper relational networking for entrepreneurs and professionals beyond transactional introductions.

Tribe Founders — Instagram-based founder community brand focused on building identity and connection among entrepreneurially-minded creators.

The Art of Mondays — NYC-based networking event series turning the typically dull start of the week into curated, intentional connection moments.

Bourbon Mastermind — Business mastermind experience using bourbon tasting as the social and sensory framework, co-facilitated by an FBI negotiator applying negotiation principles to entrepreneurial challenges.

Silicon Slopes — Utah's tech community hub and annual conference connecting the state's fast-growing startup and tech ecosystem with investors, operators, and founders.

Ryan Pineda Golf Mastermind — Business mastermind run by real estate entrepreneur Ryan Pineda using golf as a relationship-building and networking framework for entrepreneurs.

Buen Provecho Supper Club — Intimate chef-driven supper club bringing together food-forward social experiences in home settings and pop-up venues.

Founders Live — Global event series giving founders 99-second pitches to live bar audiences, combining startup community-building with the energy of an open mic.

MTN Memories — Mountain adventure experiences and community for outdoor enthusiasts building lifelong connections through wilderness and shared terrain.

Aspire Tour — Business motivational conference tour featuring entrepreneurs, investors, and speakers across US cities for large live audiences.

[Augment Org](#) — Community and events organization for builders, operators, and entrepreneurs; primarily Instagram-based with limited public web presence.

[Circle](#) — All-in-one community platform used by creators, brands, and businesses to build paid membership communities combining courses, live events, and discussion spaces.

[The AI Summit Series](#) — Enterprise-focused conference series running global AI summits for business and technology leaders on real-world AI applications and strategy.

[The Malin](#) — Design-forward members-only coworking spaces in NYC, Nashville, and Austin built around beautiful, distraction-free interiors — no programming or events, pure premium workspace.

[Live Kindred](#) — Community or lifestyle brand centered on intentional living and purposeful human connection; primarily an Instagram community.

[WLTH WLKS](#) — Walking meetup community where wealth-minded entrepreneurs discuss business and life in motion — combining physical activity with peer learning.

[Founded by Few](#) — Curated, invite-only founder community designed for a select group — quality and depth of relationship over scale of network.

[637 Group](#) — Creative or investment collective with minimal public presence; likely a small close-knit group of operators, creatives, or investors.

[FiveTwoNine Global](#) — Global community or network brand with minimal public presence; likely references the 529 designation as a nod to education, savings, or a code for belonging.

[Dryfter Homes](#) — Co-living and nomadic home community for remote workers and digital nomads; primarily building around flexible shared living on Instagram.

[We Road](#) — European group travel platform (300K+ travelers, 1,000+ itineraries) pairing millennials in age-matched groups for adventure trips to 90+ destinations, led by local travel coordinators — raised €36M.

[We Are Light / Light DAO](#) — Invite-only global community of conscious investors and entrepreneurs committed to regenerative business, expanding collective consciousness, and values-aligned relationships — gathering globally in NYC, Dubai, Sydney, Milan, and beyond.

[Davos / World Economic Forum](#) — Annual gathering in the Swiss Alps where heads of state, billionaires, and global thought leaders convene each January to address civilization-scale challenges in business, policy, and society.

[The Collective NY / Jonas Willet](#) — NYC-based members community or co-living concept focused on creative and entrepreneurial connection, organized by Jonas Willet; minimal public web presence.

[Juno Destinations](#) — Invite-only travel and transformation community for leaders and entrepreneurs offering bespoke multi-day experiences (glacier breathwork in Iceland, yacht week in Amalfi) centered on depth of connection, not tourism.

[Abu Dhabi F1](#) — The Formula 1 season finale Grand Prix at Yas Marina Circuit — among the most prestigious and luxuriously hosted races on the calendar and a major HNW networking event.

[3rd Space](#) — Community concept and events brand built around the idea of a true "third place" — distinct from home and office —

designed for belonging and IRL connection; primarily Instagram-based.

[Velocity Black](#) — App-based luxury concierge service acquired by Capital One in 2023, with 24/7 AI + human agents booking bespoke travel, dining, and bucket-list experiences — ~\$3,100/year, waitlist only.

[The Lighthouse NYC](#) — NYC-based creator-focused coworking and community space for content creators and entrepreneurs; limited public presence.

[Equinox Hotels](#) — Luxury performance-obsessed hotel brand built around sleep science, elite fitness, advanced nutrition, and recovery protocols — designed for the high-performance traveler.

[Boardy AI](#) — Voice-first AI networking agent that calls you, learns your professional goals through natural conversation, and makes curated double-opt-in introductions across its growing network — raised \$3M pre-seed in 2024.

[Lunchclub](#) — AI superconnector platform that matches professionals for weekly 1:1 video calls based on shared goals and interests; backed by Lightspeed, a16z, and Coatue with \$24M Series A.

[Offsite](#) — Airbnb-style marketplace and full-service planning platform for corporate retreats and team offsites — 1,000+ vetted venues globally, up to 50% off pre-negotiated rates, trusted by hundreds of companies.

[Officewell](#) — Corporate team experience platform connecting companies with 500+ curated activities (happy hours, wellness, team building) and a workplace wellness membership giving employees access to top health providers near their offices.

Taha Mehon Founders Club Dinners — Private curated dinner series for founders organized by operator Taha Mehon; community built through social media with minimal standalone public presence.
